## AHS girls gym team takes First at Kell Invitational

### Milton third

by Richard Cheek

March 18, 2011

**Alpharetta**, GA. – The Lady Raiders posted another strong victory taking first place March 4 over 10 other teams at the Kell Invitational.

The team score of 109.75 was almost 6 full points higher than second-place Walton High School, which posted a 103.85 team score. Third place was taken by Milton High School with a score of 102.35.

AHS put a full team of gymnasts on the floor at Kell, but GHSA rules limit the number of contestants on each event to four. Raider gymnasts competing at the Kell Invitational included: Seniors, Allie Cheek and Maggie McNealy; juniors, Kelsey Kopec and Ashlyn Laratta; sophomore Alex Stephens and freshman Sarah Parkey.

Standing by ready to fill in were sophomore Tasya Cooley and freshmen Emily Fernandez and Kylie Knight. Sophomore Courtney Cohen is still on the injured list.

The Raiders were led by two all-arounders, Kopec and Parkey with them taking first and second, respectively. AHS came close to posting a 1-2-3 sweep of the top all-around performers with Stephens taking fourth place in her first meet for the Raiders in 2011.

The Raiders started out on Vault with Parkey taking 1st and Kelsey taking 3rd place. Cheek placed fourth on vault and McNealy rounded out the event for AHS.
